## Wanted

Young People would you please share this info with your parents.  
An adult who can listen, care, be transparent, handle doubts, help create friendly environments, and model what is looks like to be a follower and lover of Jesus. Teenagers want you! Don't be afraid...they're not as concerned as you are about being cool. Actually, they don't expect you to be cool, and if you try to be cool...well, they'll probably tell you you're not. If you're uncool but you love young people and God...you're the right fit.
